

HUNAR Impact

THF Students Shine Bright at the Open House!

Celebrating Transformative
Progress, Innovation, and
Remarkable Achievements in
Entrepreneurship
and Creativity!

Five leading institutes from
The Hunar Foundation came
together, featuring
over 200 dynamic stalls that
highlighted the outstanding
creativity and ingenuity
of our students.

A real-world talent show highlighting promising ventures, evolving brands, bespoke apparel,
and innovative start-ups in digital marketing, graphic design, e-commerce, and visual art!

A Celebration of Youth Potential

These Open House events, held across five campuses, showcased the immense potential of our youth, going beyond traditional exhibitions to become lively celebrations. Donors, educators, community leaders, government officials, and the general public witnessed firsthand the incredible impact of skill development in bridging gaps, uniting communities, and fostering inclusion.

The Hunar Foundation is committed to creating pathways of success for its alumni and these events align perfectly with that. Across our campuses, from the golden sands of Nokundi to the vibrant tech hub of Karachi, we have witnessed firsthand the

transformative power of skill development. These events serve as beacons of hope, demonstrating how our graduates are not only transforming their own lives but also uplifting their communities and contributing to a more prosperous and harmonious Pakistan.

As the sun began to set, the vibrant displays faded, but the energy and inspiration of the day lingered. The spirited conversations and triumphant smiles left an indelible mark on all who attended. The Hunar Foundation once again demonstrated that through skills, we not only shape individual futures but also build a lasting legacy of empowerment and progress for generations to come.

Champions of Change

The Hunar Foundation shows its gratitude to the following organizations for standing by us in transforming lives and building a more inclusive tomorrow

Together, we commit to building a Skilled and Poverty-Free Pakistan

Punjab TEVTA Chairperson Visits THF

The Hunar Foundation (THF) hosted a visit from Mr. Muhammad Sajid Khokhar, the Chairperson of the Punjab Technical Education and Vocational Training Authority (Punjab TEVTA).

During the visit to THF's Korangi institutes, Mr. Khokhar commended the organization for its leadership role in vocational education. He remarked, "I have long admired The Hunar Foundation and its impactful work. I am eager to explore opportunities to integrate THF's best practices within Punjab TEVTA, reinforcing our shared vision of empowering youth through quality vocational training."

State Life Insurance Delegation Visits The Hunar Foundation

A high-level delegation from State Life Insurance Pakistan, led by CEO Mr. Shoaib Javed Hussain, visited The Hunar Foundation (THF) to explore potential avenues for collaboration. The primary focus of the visit was to identify opportunities for meaningful, long-term partnerships that contribute to community empowerment and sustainable development.

During the meeting, THF and State Life Insurance discussed various avenues for collaboration, including creating freelancing opportunities, exploring sponsorship options, and exploring potential employment prospects for THF's skilled graduates. These initiatives aim to provide sustainable and promising career pathways for THF students.

Menzies Ras Embraces Employee Well-being in Collaboration with THF

Menzies Ras, a leading aviation services provider, has taken a significant step towards enhancing employee well-being by partnering with The Hunar Foundation. Through this collaborative effort, Menzies Ras will provide access to high-quality skill development programs for the children of its employees.

By empowering the next generation with in-demand skills, Menzies Ras demonstrates a deep understanding of the importance of employee well-being and its positive impact on overall company success and society at large.

A Commitment to Excellence: THF Continues to Elevate Training Standards!

THF believes in excellence in everything we do. A recent initiative exemplifies this commitment; a transformative partnership with Bernd Ansorge, an internationally renowned expert in pedagogical design and the implementation of effective teaching methodologies.

Mr. Ansorge embarked on an intensive week-long engagement across various THF institutes. This comprehensive review included meticulous classroom observations, in-depth interviews with educators and leadership, and a thorough gap analysis to identify areas for improvement.

The centerpiece of this collaboration was a series of workshops focused on Training Needs Assessments (TNAs). Conducted across Pakistan at THF campuses, these workshops emphasized student-centered learning methodologies and facilitated capacity-building programs for teachers and institute managers.

This initiative culminated in a thorough review and approval of the electrical trade curriculum, ensuring alignment with global best practices and reinforcing our unwavering commitment to providing our students with the highest quality education."

HUNAR EVENTS

First Aid Training for THF Employees

The Hunar Foundation recently organized an employee-oriented "First Aid and Emergency Response" Training Session. This impactful session was conducted by expert instructors from the Hunar Healthcare Team, aiming to equip employees with essential skills such as first aid techniques and CPR to handle emergencies swiftly and confidently.

THF Students Conquer ROBOFEST 2024!

THF students continue to shine on the national stage! In December 2024, a team from the Mechatronics program at the RAAS Institute of Emerging Technologies emerged victorious at ROBOFEST 2024, hosted by Salim Habib University. Competing against teams from top universities across Karachi, our students secured first place in the prestigious Sumo-Robo Race category. This remarkable achievement is a testament to THF's commitment to providing world-class education and fostering a culture of innovation among our students.

From Nok Kundi to New Horizons: RDMC Graduates Launch Successful Careers at Chinoy Engineering

Abdul Basit, Gul Hassan, Muhammad Naheem, and Muhammad Raza, four ambitious young men from the remote town of Nok Kundi, have recently embarked on exciting new careers as Associate Electrical Technicians at Chinoy Engineering. Their journey to success began at the RDMC Technical Institute, a prestigious institution under The Hunar Foundation, where they diligently honed their skills in the Industrial Electrical trade.

This remarkable achievement is a testament to the transformative power of quality vocational training. The RDMC Technical Institute, nestled in the heart of Nok Kundi, provides a beacon of hope for young individuals seeking to break free from the limitations of their geographical location.

A Journey of Success

From Despair to Innovation:

Umerkot's Babu Mal Transforms Fish Farming with IoT

In Umerkot, where opportunities can be scarce, Babu Mal envisioned a brighter future. When a local fish farm faced setbacks, Babu Mal saw an opportunity for innovation. He enrolled in THF's Mechatronics program, mastering practical skills in electronics, systems, and the Internet of Things (IoT).

Babu Mal's journey gained momentum at THF EMERGE, where he honed his entrepreneurial skills, learning about financial planning and investor pitching. With unwavering determination and the support of THF mentors, he successfully secured funding to bring his vision to life. Today, Babu Mal's IoT-based fish farm monitoring system is a testament to his resilience and the transformative power of education and mentorship. His story inspires others in Umerkot and beyond, demonstrating that with dedication and innovation, individuals can overcome challenges and create positive change within their communities.
